Principal Green's Core Values

Here at HJRWEA, we are committed to working together relentlessly as we strive to continuously improve student achievement creating a momentous impact where every child's unique gift is nurtured. This means that every student will have access to:

- Trusting relationships with students & adults
- Staff who believe in and provide a teaching & learning environment that promotes innovation & high expectations
- Equitable experiences with culturally responsive practices
- A safe, secure, and peaceful learning environment

How will Principal Green Model these Core Values?

- Make decisions based upon what is best for students
- Build positive relationships with all stakeholders
- Expect rigorous and culturally relevant instruction
- Be accessible and visible
- Visit classrooms daily
- Ensure safety protocols are followed daily
- Model effective communication skills
- Provide constructive feedback

What's the Plan?

- Building relationships with staff, students and all stakeholders
- Hiring new staff
- Analyzing school data
- Reviewing school policies
- Resolving building concerns (HVAC, sound booth, etc.)
- Preparing for Open House and Day One
